

A BRAND DEDICATED **TO PROVIDING INNOVATION & QUALITY** TO PROFESSIONALS AROUND THE WORLD.

FOCUSED ON OUR CUSTOMERS, INSPIRED BY INNOVATION AND DRIVEN BY A DESIRE TO HELP THE PROFESSIONAL USER MAXIMISE THEIR TIME, EFFICIENCY AND PRODUCTIVITY. WE ARE INVENTORS, DESIGNERS, MANUFACTURERS AND PIONEERS OF REVOLUTIONARY TOOLS AND ACCESSORIES.

WELCOME TO OUR NEW PRODUCT CATALOGUE, YOU CAN NOW SEE HOW OUR UNIQUE APPROACH DELIVERS UNRIVALLED BENEFITS FOR YOU AND YOUR BUSINESS.

TOUGHBUILT INNOVATION

We live in a world where the latest technological and design innovations typically command a price premium. True to form, ToughBuilt defies this conventional thinking. We are committed to affordable innovation and believe that ground-breaking products which help the professional user to work better, smarter and faster should be accessible to all. Our products offer hefty amounts of intelligent, well-thought-out and well-researched design, but without the hefty price tag.

TOUGHBUILT QUALITY

ToughBuilt enjoys exceptional levels of brand loyalty with professional users across the world. Our products owe at least some of their popularity to their remarkable levels of quality. All of our tools and accessories are designed and developed in the USA before being manufactured to some of the most stringent quality assurance standards on the market today. Thanks to our obsessive approach to quality, the majority of our products are backed with a twoyear guarantee as standard and this can be further extended to an industry-leading 25 years when customers register their purchase.

TOUGHBUILT BRAND

The power of the ToughBuilt brand cannot be overstated. In the mature and established tools and accessories market where many products may seem undifferentiated, the ToughBuilt brand stands apart. It has become synonymous internationally with innovation and quality - and at a price that is not prohibitive. The strength of our brand and its high regard amongst professional users enables our stockists to increase their sales and to maximise their margins. Ultimately, the ToughBuilt brand is a brand that means business.

600 MM HANDSAW

TB-H4-20-24

- High-carbon steel blade (8 TPI) with electro-coating maximises cutting efficiency

- Triple-edge tooth design facilitates debris displacement for fast cutting Induction-hardened teeth for long-lasting sharpness Integrated ruler and pre-set 90°, 45°, and 30° angles for easy marking
- Injection-moulded ergonomic handle ensures a secure and comfortable grip
- Metal housing at the base of the blade optimises stiffness and control for the user
- Onboard storage for carpenter pencil, standard pencil, or carbide scribe

EAN Code: 1210001302617 Case Quantity: 12

Case Dimensions: 77 x 28 x 18cm

450 MM PVC SAW

TB-H4-26-18

- Optimised blade design and handle angle for efficient cutting of PVC and plastic
- Double-edge tooth design facilitates debris displacement for fast cutting
- High-carbon steel blade (10 TPI) for longevity
- Triple-injected ergonomic handle ensures a secure and comfortable grip
- Integrated ruler for easy marking and precise cuts
- Metal housing at the base of the blade optimises stiffness and control for the user
- Onboard storage for carpenter pencil, standard pencil, or carbide scribe

EAN Code: 1210001302624 Case Quantity: 12

Case Dimensions: 67.6 x 27 x 44.5cm

Case Weight: 8kg

8 TPI

FOLDING JAB SAW + 4 SAW BLADES

TB-H4S5-23FU

- Smooth guick-fold mechanism for convenience
- Blade release mechanism for tool-less blade replacement
- Includes 5 reciprocating saw blades (wood, drywall, plastic, multi and metal) and a case
- Drywall blade with triple-edge teeth (8 TPI) for faster cutting
- Injection-moulded handle with finger quard
- Includes a lanyard loop for convenient tethering
- Jab saw is compatible with most reciprocating saw blades
- Integrated rasp on Drywall blade

EAN Code: 1210001302648

Case Quantity: 12

Case Dimensions: 44.5 x 14 x 17cm

Case Weight: 2.2kg

6, 8, 10, 14, 24 **TPI**

JAB SAW + SHEATH + EXTRA BLADE

TB-H4S2-23

- High-carbon steel 1.5mm thin blade with triple-edge teeth (8 TPI) for faster cutting
- Injection-moulded ergonomic handle with a finger guard ensures a secure and comfortable grip
- Custom sheath with belt clip for easy carry and protection
- Metal blade guard integrated into the sheath prevents blade wear
- Includes a lanyard loop for convenient tethering

EAN Code: 1210001302631

Case Quantity: 24

Case Dimensions: 43 x 30 x 36cm

Case Weight: 9.20kg

FOLDING PULL SAW

TB-H4-21-2X

- Handle instantly converts between a working position and a closed position, covering the blades for compact storage; handle lock prevents accidental opening
- Double-edge blade: progressive 7 to 10 TPI edge for rip cuts, and 17 TPI edge for cross-cuts, including flush cuts
- Flexible, micro-thin blade with hardened teeth for clean cuts in pull and push strokes and efficient flush cuts
- Geared pivoting mechanism for smooth folding of the handles
- Steel sub-structure increases durability and rigidity

EAN Code: 1210001302518

Case Quantity: 8

8 TPI

Case Dimensions: 42.2 x 28.6 x 18.2cm

Case Weight: 4.90kg

SCRAPER UTILITY KNIFE + 5 BLADES

TB-H4S5-01

- Patented switch mechanism quickly flips between utility knife and scraper with a flick of the thumb
- Rubber comfort grips Paint can opener

- Carry loop Includes 5 blades

ONLY COMPATIBLE WITH TOUGHBUILT® UTILITY BLADES

EAN Code: 1210001301269 Case Quantity: 48

Case Dimensions: 53.5 x 31 x 35cm

Case Weight: 13.4kg

RELOAD UTILITY KNIFE + 2 BLADE MAGAZINES

TB-H4S2-03

- Patented quick-reloading blade mechanism, reloads a pack of blades at a push of a button
- Utility blade x 1 magazine with 5 blades
- Hook blade x 1 magazine with 5 blades
 Each magazine includes 5 double-sided disposable blades
- Ejectable magazine

COMPATIBLE WITH STANDARD UTILITY BLADES

EAN Code: 1210001301276 Case Quantity: 6/48

Case Dimensions: 35 x 33 x 37cm

Case Weight: 16kg

5-IN-1 ELECTRICIAN'S FOLDING KNIFE

TB-H4-12-IM

- 5-in-1: Utility knife, wire and string cutter, prying tool, screwdriver, and a 1/4" bit holder
 Driver bit holder with a reversible Phillips #2 and slotted 1/4" bit
 Button Lock keeps the knife locked when open and firmly closed when stored
 Onboard blade storage holds up to 3 blades (3 blades included)
 Quick-release button for fast, safe, and tool-free blade changes
 Solid steel belt clip

Case Dimensions: 21.43 x 26.3 x 49.3cm

Case Weight: 14.7kg

COMPATIBLE WITH STANDARD UTILITY BLADES

FIXED BLADE + SLIDING GUARD

TB-H4-11-G

- Sliding guard has two positions: Fully extended, it covers the blade for protection. Partially extended, it nests the tape measure hook for scoring drywall or cutting to length - 5 blades included in a 5-blade storage
- Tool-less blade change
- Triple-injected ergonomic handle
- Tether Loop

EAN Code: 1210001302686

Case Quantity: 48

Case Dimensions: 22 x 35.5 x 35.5cm

Case Weight: 10.3kg

AUTO-LOADING UTILITY KNIFE WITH PRY BAR

TB-H4-10-A

- Retractable auto-loading blade, rope cutter, and prying tool for the versatility of applications
- Quick-release button for fast and tool-free blade changes
 5 blades included in a 20-blade storage
- Triple-injected ergonomic handle
- Tether Loop

COMPATIBLE WITH STANDARD UTILITY BLADES

EAN Code: 1210001302655

Case Quantity: 48

Case Dimensions: 36 x 31 x 27.5cm

Case Weight: 15.85kg

ANGLED UTILITY KNIFE WITH PRY BAR

TB-H4-11-A

- Retractable blade, wire cutter and stripper, and prying tool for the versatility of applications
- Quick-release button for fast and tool-free blade changes
 5 blades included in a 10-blade storage
- Triple-Injected ergonomic handle

COMPATIBLE WITH STANDARD UTILITY BLADES

EAN Code: 1210001302662

Case Quantity: 48

Case Dimensions: 32 x 36 x 27.5cm

Case Weight: 14.45kg

TOUGHBUILT.

TB-H4-11-CK

- Tuck tool to feed carpet into gaps and spaces
- Angled head helps to avoid knuckle scrapes
- 5 blades included in 5-blade storage
- Tool-less blade change
- Fixed blade position

EAN Code: 1210001302679 Case Quantity: 48

Case Dimensions: 26 x 37 x 31.5cm

Case Weight: 9.4kg

PRY BAR UTILITY KNIFE WITH STORAGE

TB-H4-12-IST

- **3-in-1:** Utility knife, Wire and string cutter, and Prying tool Button Lock keeps the knife locked when open and firmly closed when stored
- Onboard blade storage holds up to 3 blades (3 blades included)
- Quick-release button for fast and tool-free blade changes
- Solid steel belt clip
- Tether loop

COMPATIBLE WITH STANDARD UTILITY BLADES

Case Quantity: 30

Case Dimensions: 64 x 41 x 17.5cm

Case Weight: 8.80kg

PRO GRADE AVIATION SNIPS

10x MORE CUTS

Forged blades with induction hardened cutting edges delivering up to 10 times more than a regular snip

2 CUTTING GRIP POSITIONS FOR EASE OF CUTTING AND **MORE CONTROL**

The patent pending ergonomic grip design allows two cutting positions: rearward grip for maximum leverage, and forward grip for maximum control

Forward grip for maximum control and more precision

BULLDOG AVIATION SNIPS

TB-H4-60-B

- Cuts up to 22-gauge stainless and 18-gauge cold-rolled steel
 Ergonomic grip design allows 2 cutting positions: rearward grip for maximum leverage, and forward grip for maximum control
 Forged blades with induction hardened cutting edges
- for 10 times more cuts
- Spring action for fast, effortless cutting
- Ideal for tough cuts
- One handed lock operation
- Lanvard hole

EAN Code: 1210001301153 Case Quantity: 30

Case Dimensions: 49 x 32.5 x 25cm

Case Weight: 10.65kg

LEFT CUT AVIATION SNIPS

TB-H4-60-I

- Cuts up to 22-gauge stainless and 18-gauge cold-rolled steel Ergonomic grip design allows 2 cutting positions: rearward grip for maximum leverage, and forward grip for maximum
- Forged blades with induction hardened cutting edges for 10 times more cuts
- Spring action for fast, effortless cutting
- Ideal for left cuts
- One handed lock operation
- Lanyard hole

EAN Code: 1210001301160

Case Quantity: 30

Case Dimensions: 49 x 33.5 x 25cm

Case Weight: 11.40kg

RIGHT CUT AVIATION SNIPS

TB-H4-60-R

- Cuts up to 22-gauge stainless and 18-gauge cold-rolled steel Ergonomic grip design allows 2 cutting positions: rearward grip for maximum leverage, and forward grip for maximum control
 - Forged blades with induction hardened cutting edges deliver
- up to 10 times more cuts than cast blades
- Spring action for fast, effortless cutting Ideal for right cuts
- One handed lock operation
- Lanvard hole

EAN Code: 1210001301177

Case Quantity: 30

Case Dimensions: 49 x 33.5 x 25cm

Case Weight: 11.40kg

STRAIGHT CUT AVIATION SNIPS

TB-H4-60-S

- Cuts up to 22-gauge stainless and 18-gauge cold-rolled steel
- Ergonomic grip design allows 2 cutting positions: rearward grip for maximum leverage, and forward grip for maximum control
- Forged blades with induction hardened cutting edges for 10 times more cuts
- Spring action for fast, effortless cutting
- Ideal for straight cuts
- One handed lock operation
- Lanvard hole

EAN Code: 1210001301184 Case Quantity: 30

Case Dimensions: 49 x 33.5 x 25cm

Case Weight: 11.40kg

STRAIGHT LONG CUT AVIATION SNIPS

TB-H4-60-SI

- Cuts up to 22-gauge stainless and 18-gauge cold-rolled steel
- Ergonomic grip design allows 2 cutting positions: rearward grip for maximum leverage, and forward grip for maximum
- Forged blades with induction hardened cutting edges for 10 times more cuts
- Spring action for fast, effortless cutting
- Ideal for long straight cuts
- One handed lock operation
- Lanvard hole

EAN Code: 1210001301191 Case Quantity: 30

Case Dimensions: 49 x 37.5 x 25cm

Case Weight: 13.08kg

STRAIGHT OFFSET LONG CUT AVIATION SNIPS

TB-H4-60-SOL

- Cuts up to 22-gauge stainless and 18-gauge cold-rolled steel
- Ergonomic grip design allows 2 cutting positions: rearward grip for maximum leverage, and forward grip for maximum control
- Forged blades with induction hardened cutting edges for 10 times more cuts
- Spring action for fast, effortless cutting Offset blades keep hands away from cutting material so they are ideal for continuous straight cuts and long left cuts
- One handed lock operation
- Lanyard hole

The majority of ToughBuilt products come with a two-year guarantee as standard, which can be extended to an impressive 25-years provided customers register their product within 30 days of purchasing.

GUARANTEED QUALITY

While every ToughBuilt® product is built to be tough, it is important for you to use your ToughBuilt® products appropriately.

The majority of products manufactured and sold by ToughBuilt® are covered with our extended 25 years guarantee to the original purchaser against defects in material or workmanship. Normal wear and tear and conditions resulting from accident, misuse, abuse, alteration, or improper care or maintenance voids the guarantee. This guarantee is exclusive and in lieu of any other express guarantee of any kind.
