100M (328FT) LASER MEASURE (GREEN)

100m (328ft) laser distance measurer with high-visibility green beam, multiple measuring functions and inbuilt memory. Designed for six measurement applications including angle, distance, volume, and more.

- High-visibility green laser beam
- Memory function that stores up to 30 separate measurements
- Metric and imperial scales
- Precisely measure distances up to 100m (328ft) in length
- Measuring range up to 100m (328ft)
- 2x AA Rechargeable NI-MH Batteries included with a USB Type C charging cable
- Safety wrist strap

Product Code	Description	Order qty	Box Qty
ALM100	100M (328FT) LASER MEASURE	1	5

AUTO-LOCK TAPE MEASURE

Heavy duty tape measure with durable rubber encasing, auto-lock feature and magnetic hook.

- Nylon coated
- Magnetic hook
- Auto-Lock
- 5m (16') or 8m (26') Tape
- Perfect for use alongside the wider TRACER range

Product Code	Description	Order qty	Box Qty
ATM5	5M TAPE MEASURE	1	12
ATM8	8M TAPE MEASURE	1	6

## 100M (328FT) STRING LINE 0.05"

High-visibility, durable stringline, with tangle-free integrated handle, and additional storage cover.

- 100m (328') Length
- High visibility green string line
- Low profile rotating handle
- Clear, anti-tangle cover

Product Code	Description	Order qty	Box Qty
ASLG100	100M (328') STRING LINE	1	5

## COMBINATION SQUARE

Combination square for quick and easy measuring and marking, with integrated spirit level and scribe tool.

- Metric and imperial scales
- Horizontal and vertical precision marking
- 45° and 90° angle marking using the diagonal and horizontal edges
- Easily adjusted slide mechanism for repeatable marking
- Integrated spirit level for achieving a truly horizontal surface
- Built-in scribe tool
- Stainless Steel Rule
- Zinc Cast Handle

Product Code	Description	Order qty	Box Qty
ACSQ15	150MM (6") COMBINATION SQUARE	1	10
0	300MM (12") COMBINATION SQUARE	1	10
ACSQ30

## CARPENTERS SQUARE

Carpenters square with dual laser etched markings for internal and external marking and 0-90 angle marking.

- Clear, etched metric/imperial markings resistant to wear and tear
- Two sets of angle lines for internal and external pivot points
- Robust but lightweight aluminium body
- Lower ruler allows for measuring and marking along the inner edge of the square
- Upper ruler allows for measuring and marking along the outer edge of the square
- Stainless Steel Rule
- CNC Machined Aluminium Handle

Product Code	Description	Order qty	Box Qty
ACS300M	300MM CARPENTER SQUARE (METRIC)	1	5
ACS300I	12" CARPENTER SQUARE (IMPERIAL)	1	5

## SPEED SQUARES

Speed square with three pre-calculated angle marking guides, horizontal and vertical rulers for quick and easy measuring and marking.

- Achieve simple 0° - 90° marking by pivoting and marking along the long edge
- Equipped with both a horizontal and vertical ruler
- The horizontal ruler allows for quick measurements or markings from the inside edge of the square
- The vertical ruler allows for quick measurements or markings from the T-section of the square
- Robust but lightweight aluminium body
- Includes both Metric and Hip + Valley rafter scales for roofing (12"/300mm & 7"/175mm Squares only)
- Pre-calculated hip and valley scales for marking rafters when working in degrees. (12"/300mm & 7"/175mm Squares only)
- 1/3 Rafter scribe guides for easy marking. (Unique Feature - 12"/300mm Square only)
- Includes quick reference marking guides for 22.5°, 30°, 45°, and 67.5° (Unique Feature - 4.5"/110mm Square only)

Product Code	Description	Order qty	Box Qty
